No. 6

Farmers Will Open Butcher Shop in Terrace

RESOLVED: That the directors be instructed to start a butcher shop under the auspices of The Kitsumkallum Farmers' Institute and to use whatever funds are in the hands of The Farmer's Institute and to borrow if necessary.

The Kitsumkallum Farmers' Institute passed the above resolution tonight after a general discussion lasting over two hours.

The move is the culmination of much discussion between the members of the local farming community and is intended to bring about two things better prices for the producers of meats and lower prices for the consumers of animal products.

President H. L. Franks opened the meeting by giving a resume of the scheme to date, with particulars of possible sites for a building, size of building, and threw the meeting open for discussion.

One of the directors advanced the thought that meat from the Bulkley Valley had to pay freight to Terrace was several days old when it arrived and wastage often resulted, for which the consumer had to pay. He contended that the amount of the freight should be returned to the producer, along with a portion of the saving from the wastage. Also local, freshly killed meat was worth more than the stale article.

President Franks said under the scheme, if it was to work out properly it would be necessary for the butcher to have the power to set the price to be paid to, the producer having due regard for the quality of the beast, and its condition, and when an animal was offered, which he considered as unsuitable for the business, have the power to reject it. Other similar ventures had been wrecked by paying too high a price for the animals. A part of the profits, at least, would have to go into a sinking fund to take care of contingencies.

When the resolution was put it was carried without any dissenting vote.

The directors will choose a site immediately, and proceed with the erection of a suitable building to house the new enterprise. A building either 16 x 35 or 20 x 40 is suggested. It is hoped to start business about Sept. 15th.

Read Page 2

GOING ON WORLD TOUR

Tommy Fuschimi, formerly of Hazelton, but of late years of Smithers gave a party last Saturday night to the people of Smithers, and his friends of the district at Lake Kathryn. A lot of people accepted Tommie's hospitality and they had a wonderful time. There was dancing in the pavilion and refreshments were served. Next month Tommy and his wife are starting on a trip around the world.

New Hazelton will play base ball at Smithers on Sunday next. This will be a real good game and a lot of New Hazelton people will accompany their team.

The rain the first part of the week was very welcome. The country was in need of moisture. Some of the farmers got caught with hay and oat hay cut, but it is doubtful if much harm will come of it.

The Barbecue September 7th New Features

At the Barbecue in Telkwa this year there will be some new features, and probably the chief of these will be the championship base ball game between the winners of the series of games being arranged in the district to be played during the month of August with the finals at the Barbecue on Labor Day. There is a lot of rivalry this year and there is sure to be some excellent ball played. There will also be a new line of midway novelties besides a full program of horse races, the particulars of the races will be published next week. The prize for the base ball game will be \$100 divided \$75 to the winner and \$25 to the loser.

T. E. E. Greenfield, proprietor of the Telkwa Hotel, will make every effort to take care of the feeding of the crowds that day. Besides the hotel dining room he will have tables set in the Orange Hall and a full staff of waiters will be on hand there. He is also going to cater for the dance in the evening and supper will be served in the Orange Hall. The dance on Barbecue night is one of the biggest events in the Bulkley Valley and always attracts hundreds of people.

Plan now to be at the Barbecue on Monday, September 7th, the last summer holiday. Your friends will all be there, and the old timers always go to the Barbecue to see their friends.

BACK TO STATUTE LABOR

T. R. Tomlinson Invited Citizens to join with him in Repairing Main Highway

T. R. Tomlinson of Kitwanga sent out a number of letters inviting those interested to gather at Kitwanga and do a little statute labor on the piece of the main highway to Terrace and to Prince Rupert, which was washed out last spring by the high water of the Skeena. The people of Kitwanga got fed-up on waiting for the engineer of the public works department, and decided to fix the road themselves before the frosts of winter set in. The road was there in most places and at a cost of many thousand of dollars, but the road was of no service because of the washout—not very complimentary to the "modern method" of high priced engineers being in charge. Among those from the distant parts of the riding invited to participate in this labor of love were Dr. H. C. Wrinch, Henry Motors, Smithers Garage, Hanson Timber & Lumber Co., and others. The Kitwanga people may have turned out, but it is doubtful if many of the others did.

WHY A PRACTICAL MAN

Roads Already Give Evidence of Improvement Over Engineer System

Doing road work with a practical road builder in charge may be an old fashioned idea, but it is getting results. A mile or two east of Moricetown there was a nasty knoll on a sharp turn, an ideal spot for a bad accident. For a dozen years the engineers drove over that knoll and had all kinds of machinery hauled over it, but it never dawned on them to take it out. Probably they did not know just how to go about it. One of the first things the practical road builder now in charge in this district, did was to take out that knoll and to widen the turn. He has also been making a lot of other improvement to the main road east of Moricetown.

Bridge Open August 21st

Friday, August 21st, has been set for the opening of the new high level bridge at New Hazelton. Hon. R. W. Bruhn, minister of public works, will be here and will officiate. Hon. Mr. Bruhn is making a tour of the North and will visit Prince Rupert, Terrace and points along the Skeena highway on his way to New Hazelton.

The opening ceremonies will take place at the bridge at two o'clock in the afternoon. Everyone in the district is invited to come and take part in these ceremonies, also to inspect the bridge. It is worth while.

After the ceremony at the bridge the people are requested to go to the New Hazelton Athletic Grounds and watch a base ball game between New Hazelton and Smithers. These two teams have played before and are even as to honors. Both teams will be represented by some change in players, and it will be a real game to look at from the sides.

In the evening in the New Hazelton hall there will be a grand dance for which Gazeley's orchestra of Smithers will provide the music. Everyone is well acquainted with the good dances put on by New Hazelton and this will be as good as the best of them.

Needing Work Must Register at Police Office

Notices have been posted in the district in regard to registering for work during the coming winter. The government desires to find out how many men will need work before any plan of operations can be completed. If only a few men register the amount of work that will be provided will be in proportion. The government will be very glad if only a few men in this district figure on needing any work. But it is sure that many here will need work to keep them even with the world and they had better get busy and register.

While the government will provide lots of work, it must be understood it is not compulsory for any man to take a job. The camps will be provided to look after those who will need work, and as soon as any one of those in the government camps can get another job they are expected to accept it, but in the meantime work, board and some money will be available. Premier R. B. Bennett has made it very clear that he does not care to employ anyone not in need, or who has or can get a better job, but unless willing to work at the job the government provides, and they are able to do the work, there will be other assistance given. Just what the wages will be has not yet been decided but they will hardly be as high as the regular wage paid for several years past in this province. It will, however be sufficient to keep out the cold and the hunger.

TO REPAIR BIG TUNNEL

Ross' big tunnel six miles east of New Hazelton has given more or less trouble in the past, due to a constant movement of the country. Recently there has been some anxiety, and an expert was sent out to investigate and to report on the cost of repairs. It is understood that the estimate of the expert is between \$50,000 and \$75,000, and that the work must be done in the very near future if the tunnel is to be saved. That will give employment to quite a few men for some little time.

Hazelton Flower Show Thursday A Good Time

Thursday, August 20th is the annual flower show and big day in Hazelton. Preparations are well under way for the display of flowers, and it is understood that the display will be up to any that has ever been made in past. The exhibition will be open to the public early in the afternoon so that there will be time to view the flowers before proceeding to the ball grounds to see the game between Hazelton and Smithers for a prize of \$75. Smithers has a keen desire to win the game from Hazelton as they were not entirely satisfied with the other two games when Hazelton won.

In the evening there will be a grand concert and this will be followed by a dance at which good music will be provided. See advertisement on another page.

HAZELTON WON ALL GAMES

Burns Lake, Vanderhoof and Prince George Conquered—Finances Short

The Hazelton all star base ball boys returned home early Saturday after defeating every team they played against. They first met Burns Lake and then went on to Vanderhoof and played a tie game of seven innings and then proceeded to Prince George. Quesnel could not get their team together as the boys were in the hay fields and Prince George could only give them one game. On the return another game was played at Vanderhoof, but Burns Lake could not get a team together for a second game so the Hazelton caravan beat it for their own stamping ground. From a victory point of view the trip was a success. There was also a good attendance at the games, but it seems the people to the east are no more flush than are the people at home, in fact it is reported that the receipts from games averaged about \$10 per game. Financially the trip was not a success.

TOOLS TAKEN FROM BRIDGE

When it came time for those in charge of the bridge work here to get their stuff together to ship to some other job it was found that there was not so much stuff to ship out as what came in, in the way of tools and material. The provincial police were notified and Cons. Raybone started out to hunt for the missing tools and material. He succeeded in finding some of it, and some was returned, but it is understood that much is still missing. This investigation also brought to light the fact that a lot of stuff has disappeared from several of the mines in the neighborhood and it is understood that the mine owners are asking the police to take action on their behalf. It also seems, according to report, that the government has lost a good deal of gasoline, some of which was in a locked building.

BOARDS OF TRADE MEETING

The Associated Boards of Trade of Northern British Columbia met at Burns Lake on August 5 and 6. Some important business was transacted. On account of a shortage of space this week the full report of the convention is being held over until next issue.

Mrs. E. J. Moore and daughter Bessie were visitors to Remo this week.

Championship Baseball at the Fall Gatherings

Baseball fans are likely to have a real baseball tournament this fall to watch and to talk about during the winter. The management of the fall fair at Smithers and the Telkwa barbecue are working in co-operation in this matter. The first games will be played in Smithers during the fair, and the final games will be played at the Barbecue Prizes will be offered all teams and a grand prize of \$100.00 for the champions, divided \$75 to the winners and \$25 to the losers. Seven teams, and possibly eight, will be entered in the tournament, and among these will be Smithers, Telkwa, New Hazelton, the all stars in Hazelton, the Morricetown Indians, Hazelton Indians and probably Burns Lake will send a team down. Since the all star team of Hazelton has been on a tour of the north and have defeated every team they have come in contact with they should be offering about 4 to 1 on their chances of winning the championship. Unless they bring in another batch of players they will probably get some takers for their bets at almost any odds. There will be a lot of fun anyway, and the ball tournament will be a great drawing crowd.

Read Page 2

Terrace Board of Trade Meet

The monthly meeting of the council of the Terrace and District Board of Trade had its usual variety of business. President J. K. Gordon presided. Communications from the League of Nations Society, the B.C. Chamber of Mines, The Associated Boards of Trade, Prince George, The Burns Lake District Board of Trade, The Canadian Chamber of Commerce and other organizations were given suitable attention. Mr. E. T. Kenney, chairman of The Public Works Committee, reported having wired the Minister of Public Works (urging the establishment of an Unemployment camp at some point on the unfinished portion of The Skeena Highway between Usk and Kitwanga. A letter was ordered sent to The Minister of Public Works urging the improvement of the ferry approaches at Usk as the plan of The Columar Gold Mines Ltd. were hinged to a certain extent on the use of these approaches in their scheme of installing operating equipment in their mine. On the suggestion of Messrs. Hepburn and Turner a special meeting of the council is called for next Tuesday to specifically consider unemployment and the report of the economic committee.

Says Five Hundred Man camp to be Established
Special from Terrace

District Engineer W. K. Gwyer and General Road Superintendent J. McDonald, Dept. of Public Works, arrived on Monday morning on departmental business. Mr. Gwyer states he is recommending a camp east of Usk to take care of 200 men under the unemployment relief scheme. A start will be made immediately on the local road on the north side of the Skeena connecting Terrace with Usk. Work will be commenced in the neighborhood of Copper City.

TO OPEN THE NEW BRIDGE

Hon. R. W. Bruhn, Minister Public Works, will be in

**New Hazelton, Friday
August 21, at 2 p. m.**

Join the crowd at New Hazelton See the Finest Bridge in the North Hear the message the Minister of Public Works will bring.

At 3.30 o'clock on the New Hazelton grounds the local base ball team will play Smithers, and this will be the fastest game of the season. Do not miss this contest.

Dance at New Hazelton hall in the evening. The Gazeley orchestra of Smithers will supply the music and it will be snappy. You are sure of a good time, a good dance floor and a good supper.

ELKS GIVE CHILDREN DAY

Great Time at Lake Kathlyn—Big Dance at night

The Elks Children's Day held at the park at Lake Kathlyn last Thursday was a great success in every way. A very large number of children took in the event and had a wonderful time. There were sports of all kinds and a big feed as well as candy and ice cream during the afternoon. At night there was a dance in the pavilion for those older than the child age and it was most enjoyable. The intention of the Elks was that children from all

parts of the district should be taken to Lake Kathlyn, but owing to the sudden illness of J. B. Stevens the invitations did not get sent out in time for those at a distance to get ready. Another year it will be understood that all children in the district are invited. A committee will take charge of them and in case of any accident there is a trained nurse on the committee.

Mrs. D. Brethour, daughter of Mr. and Mrs. E. Willie, of the Terrace Hotel, arrived on Wednesday to spend a few weeks with her parents and two daughters Mrs. Brethours home is in Winnipeg.

TERRACE BOARD OF TRADE

At the meeting of The Kitsumkallum Farmers' Institute held on Tuesday night President H. Franks reported on a deposit of material which he thought might be lime. He stated he had visited Ritchie, where about 3 miles from the station he had seen a depression, covering about 5 acres, and at a level of 25 or 30 feet below the surrounding country. It was a meadow land, with a light growth of grass, brush and small trees, none over eight inches thick through. The deposit varied in depth, from 2 inches near the rim to over 5 ft. at the bottom. It rested on a subsoil of sand. The material was fine, finer than flour, of an appearance like air slack, not sticky and easily handled. He had brought a sample home with him, and had forwarded three lots to different assayers for analysis. He had not got the results as yet.

If it proved to be 75% lime or better it would pay to handle it. He estimated it could be landed in Terrace at a price of from \$3 to \$5 per ton. On the suggestion of Mr. G. Hamlin a sample will be furnished to Messrs. Hamlin and Thomson of Horseshoe Ranch, who will give it a practical test under hot house condition.

W. Goodwin is the proud owner of a potato field, the like of which has not been seen in the valley for many years. Report says the plants are waist high and well bushed out. Bill does not seem to have any fear as to his being short of spuds during the dark days of the coming winter.

The Kitsumkallum Farmers' Institute have received a letter from Mr. S. S. Philips with reference to the scheme to have a resident veterinary surgeon stationed in the Bulkley Valley.

Closing Road in District Lots 693
and 1702, Near Terrace, B. C.

NOTICE is hereby given that, under
the authority conferred by Section
11 of the "Highway Act", Chapter 24
of the Statutes of British Columbia,
1930, it is the intention of the under-
signed, after 30 days from date, to dis-
continue and close the Kalum Lake
Road along the north-easterly bound-
ary of Block 5, Registered Plan 1048,
in D. L. 1702, Range 5, Coast District;
also the portion of this road between
Lots 9 and 10; Registered Plan 1270,
in D. L. 693. The highway is to be
diverted a short distance to the north-
east.

R. W. Bruhn,
Minister of Public Works
Parliament Buildings,
Victoria, B. C., July 11th, 1931.

The Terrace News is \$2.00 a year

Mr. J. H. McMeekin of Vancou-
ver was a business visitor on Thurs-

Mr. and Mr. G. E. Beveridge are
enjoying a holiday at their new camp
at Lakelse Lake. On Thursday night
Mrs. Beveridge gave a beach party,
about forty guests being present.
During the evening the guests gath-
ered round the bon-fire and toasted
marshmallows, told stories and had
community singing.

On Friday John Garland of Kalum
Lake was charged with lighting a
fire near standing timber without
proper authority. Garland pleaded
guilty to the charge. At the request
of Asst. Forester E. Gregg, the mini-
mum sentence of \$25 and costs or 30
days imprisonment was given by
Magistrate E. T. Kenney.

H. A. Swain appeared before Magi-
strate Kenney on Friday charged
with acting as a chauffeur without a
license. A fine of \$5 and costs was
imposed.

A new business is being established
in Terrace. Messrs. Murdo Smith and
C. L. M. Giggly are building a black-
smith shop just east of the Bishop
residence on Lakelse Avenue. It is
understood Mr. Smith will be the
active operator of the concern.

Messrs. W. Marsh and W. H. McIl-
roy, civil engineers from Prince Geo.
together with Mr. H. E. Alton of
Prince Rupert have been staying at
The Terrace Hotel for several days.
While in the district they have con-
ducted investigations in connection
with projected industrial develop-
ments.

Mr. P. J. Carmody, who has been
holidaying at The Kalum Lake Lodge
returned to his home at Anyox on
Wednesday.

Professor Charles P. Smyth of
Pennsylvania arrived on Wednesday's
train and proceeded to The Hot
Springs Hotel to spend a few days.
He says he intends finding out if the
trout fishing is really as good as the
reports he has received have lead him
to believe.

Messrs. W. H. Johnston and S. G.
Bruce, reconnaissance engineers of
The Forest Branch are in town. They
are engaged in a general survey of
the forest assets of the province.

Mr. W. King, of the C.N.R. Elec-
trical Dept Prince George is staying
at The Philbert Hotel.

Miss Jean McLeod gave a party to
the younger set on Monday night.
The party, given in honor of her
guest, Miss Marie Mussallem of
Prince Rupert, was staged in The
Station House. About fifty guests
were present including Miss Margaret
Mussallem, Miss Beverley Jack, Miss
Rose Welsch and Miss Dorothy Ball-
inger, all of Prince Rupert. In addi-
tion several guests came down from
Usk. During the evening a five piece
orchestra provided enticing music
and dancing was continued until about
two o'clock the following morning.

Messrs. Leo Llewellyn and Cecil
Lever left for Prince George on Wed-
nesday's train.

Mr. C. Pennie left for Prince George
on Monday.

Messrs. Roy Thomas and A. Moore
have written from Williams Lake.
They state conditions are generally
quiet in that part.

Terrace young people are planning

a trip to Usk on Saturday night to
take in the dance to be staged there
that night.

Mr. Waddington, Fire Inspector,
Forest Branch arrived in Terrace on
Thursday.

Foreman A. Kerr, Public Works
Department, has received orders to
prepare a camp on The Hot Springs
Road, ready for 40 men who will
work on that project under The Un-
employment Relief Plan.

Shades of Christmas! The high
bush cranberries are now ready for
gathering and local residents are busy
putting down a goodly supply of jelly
ready for the festive turkey.

Mr. and Mrs. Geo. Little left Thurs-
day to spend some time at their new camp
at Lakelse Lake.

It is understood that Rev. E. Mc-
Carthy and Mrs. McCarthy will be
transferred to Adlin some time during
September.

Miss Beatrice Berner of Prince
Rupert is a guest with Mrs. Thomas
Brooks.

Mr. R. B. Wallace is moving into
the house Mr. Thomas Brooks has re-
cently purchased and renovated.

Mr. and Mrs. J. Smith are moving
from their house on Kalum St. to
apartments in The Sundal Block.
Mrs. O. T. Sundal left last Saturday
for Lakelse Lake, where she intends
to take a rest from business, and en-
joy the beauties of the lake country.

The date of the Terrace Fall Fair
has been definitely set for Thursday
and Friday, September 10-11.

Mr. S. N. G. Kirkaldy, the local
postmaster is enjoying a well earned
holiday at Lakelse Lake.

Mrs. J. C. Norrington of Prince
Rupert arrived on Thurs. to spend a
few weeks with Mrs. N. Sherwood.

Miss Doris Robinson arrived on the
Aug. 3 train from Prince Rupert
where she has been in receipt of
medical attention.

The Public Works Department sent
out equipment and camp supplies to
The Hot Springs road on Tuesday. A
big effort is to be made to give road
communication between the Hot Spr-
ings Lodge and Terrace during the
present season.

Mr. and Mrs. T. J. Kirkpatrick
motored to Remo on Sunday. They
report the road in fair shape, but
badly in need of more gravel.

Will Robinson has taken over the
duties of reporter to The Terrace
News. Mrs. Greig who has reported
for some years having decided to
spend a year with her friends in the
east. The new reporter will be in
Terrace every day and will be pleased
to receive news items from all who
have items of interest and will also
receive orders for the various kinds
of advertising in The News. He will
be prepared to receive orders for prin-
ing and wishes to assure future cus-
tomers prompt and efficient service in
all their requirements. The co-opera-
tion of everyone is asked in contin-
ing to make the paper the real local
paper of The Terrace District.

THIS week, test the outstanding
value contained in every General
Motors car. At your convenience, a
car of the size, price and body type
you prefer will be brought to your-
door, by your General Motors dealer,
for you to drive and inspect. Remem-

Maw & Sons, Armstrong, B. C.

On Sunday last the victorious ball
team from Hazelton played a scrub
team in New Hazelton. The local boys
had the all stars down to six or sev-
en runs.

E. M. Hoops and family of Telkwa
are spending a couple of weeks in the
Francois Lake district.

W. M. Boyle, Dominion Telegraph
operator at Telkwa, has received no-
tice to transfer to Ashcroft where he
will be on the day shift and Sam Kin-
caid will be on nights. Boyle is now
only waiting final instructions as to
the disposition of the government pro-
perty at Telkwa. He has been at that
point for many years, and was in New
Hazelton before going to Telkwa. He
will be missed in the district and par-
ticularly so at Telkwa where he took
a very active part in athletics.

Dr. and Mrs. L. B. Winch enter-
tained a number of young people at
their home on Monday evening last.
On Saturday night they entertained
the staff of the hospital.

C. W. Dawson was in Prince Ru-
pert last week.

A number from Hazelton took in the
dance at Lake Kathryn last Thursday
night and report a good time.

TERRACE

Under the Unemployment Relief
Scheme it is expected to open two
camps on the Prince Rupert end of
the Skeena Highway, capable of caring
for from 400 to 600 men.

The Terrace people who went to
the dance at Usk on Saturday night
report a good crowd and a very en-
joyable dance.

town spending his vacation with Mrs.
Hogan's parents, Mr. and Mrs. Guy
Taft.

Miss Bessie Moore, Gold Medalist
for 1931 at the B. C. Normal School,
has been appointed to the teaching
staff of the Kitsumgallum Public
School. This move by the trustees is
a very popular one, showing in a practical
manner the appreciation of the
district of the honor Miss Moore has
brought to her home neighborhood.

Mr. H. F. McLeod Registrar of The
County Court, Prince Rupert arrived
on Friday and proceeded to Lakelse
Lake.

Mrs. W. Burnett entertained a
party to bridge on Friday evening.
Messdames D. Munro and G. Dover
were winners of the ladies and Messrs
Cary and Donald of the gentlemen.
